IČ : 61535699

**Product:** Single Room Heat Recovery Ventilation Unit - SRJ 3W

**Purpose of use:** The SRJ 3W local heat recovery unit provides a modern method of ventilation that allows fresh air to be brought indoors without heat leakage. The heat recovery unit prevents mould and allergen formation by bringing fresh air into the interior that is free of dust, pollen and other impurities. It reduces heat leakage during ventilation by using the heat from the exhaust air to warm the incoming air.

**Declaration:** The supplier declares on his sole responsibility that the product is not determined like product pursuant to the Act No. 22/1997 Coll. on technical requirements for products, as amended. It is harmless for use inside buildings.

This supplier's declaration is issued under the sole responsibility of the importer.

User of the product is obliged to follow the manufacturer's instructions for installation, use and maintenance of the product which are on the website [www.haco.cz](http://www.haco.cz).
